June's Principal's Message:

It is hard to believe that we are approaching the end of another school year. We feel very fortunate to be a part of such an exceptional community. On behalf of all of us here at ÉOES I would like to extend a very sincere thank you to our students, families and community for all of your support and assistance throughout the year. We feel honored to spend our days with the students at ÉOES and appreciate the wonderful community we are a part of.

We have had an amazing year of classroom learning, special events, student performances, and trips around our community and beyond. Each and every day I watch our students and staff go above and beyond the expectation. Our classrooms are filled with exceptional experiences where students are truly engaged in meaningful learning. They are challenged, encouraged and have adults and peers who believe in them.

We have some staff leaving us at the end of the year and we want to take a moment to thank them for their dedication to the students of ÉOES. Teachers Brenden Wuschke and Lorraine Adams will not be back with us next year and we wish them all the best with their new ventures. We welcome Jessie Notley (grade 3), Danielle Jorgensen (grade 3), Maicie Lee (grade 3&4 French immersion), Stacey Prohl (grade 2) and Jaynee West (grade 1). We also welcome back all of our current educational assistants and are happy to say we are a thriving school with a growing enrollment of students

As we finish the 2023-2024 school year, the staff of ÉOES want to wish each of you a wonderful summer. Enjoy the sunshine and extra time with family and friends!

MARK YOUR CALENDARS: All families returning to EOES in September are invited to an Open House at our school on August 29, 2024 between 1:00pm - 2:00pm.

Sincerely,

Alanna Sampson, Principal

*****School Fees are now passed due. Any unpaid fees, as of June 21st will be sent to our Collection Agency as per CESD*****

PAY SCHOOL FEES ONLINE

Chinook's Edge School Division is pleased to offer the opportunity to pay student fees electronically. The online payment program provides a convenient payment option that saves time. You can make secure online payments by credit or debit card any time and receive a receipt.

Safe. Secure. Simple.

Signing up only takes a moment. Here is how it works:

1. Go to:
<https://www.studentquickpay.com/chinook/>
or find the link on the Chinook's Edge Website at www.chinooksedge.ab.ca
2. Take a few minutes to register and create an account for your child(ren).
3. Review and pay your child's fees using direct online payment. You can also set up monthly payments - please call Lisa Ormann at the school

If you are having technical issues with your parent account please email feesupport@cesd73.ca for assistance.

The fee schedule can be found on the Chinook's Edge website, www.cesd73.ca, Menu, Students and Parents, School Fees. Scroll down to Olds, and find École Olds Elementary School.

If you have any questions please call the school. Fee waivers are also found on the Chinook's Edge website, under Menu, Students and Parents, then on the left, click on the arrow beside School Fees.

Weather changes: Please send waterproof coats and rubber boots to school. There will be rainy days and the playground is going to be very muddy and wet. WE WOULD APPRECIATE AN EXTRA SET OF CLOTHING IN EACH STUDENT'S BACKPACK. THANK YOU!

Physical Education Update - June 2024

Mr. Kish

Wow! Is it really June! Hard to believe we are a few weeks away from summer time! These last few weeks have been exciting, it seems like students' energy levels double when the days are longer and the weather warmer...or maybe it's the excitement of holidays.

MISSION: IMPOSSIBLE

Curriculum Focus

We have been enjoying the annual **Mission Impossible Game** in the gym. Quite likely your child might have mentioned it. The Mission Impossible Course is designed to challenge student's skills and abilities in order to complete a variety of challenge stations safely and successfully. It showcases all of the physical literacy skills that kids are continually developing as they grow, move, and play. It is also a **TEST of FOCUS** for students because they must be quiet while participating, which at the end of the school year is pretty impossible LOL.

Gymnastics will begin after Sports Day until the end of the year. This is always a favorite time as we often have guest gymnasts spend some days with us working on gymnastics skills. I truly believe gymnastics is the greatest developer of coordination, strength, and flexibility for children. In our Gymnastics lessons we will learn and practice the many floor elements including; the handstand, stork stand, tuck jumping, forward and backwards rolling (somersault), cartwheeling, leapings, and landings. We will also use the bar to learn pullovers, front supports, skin the cat pike, and a front rollover dismount. For the balance beam we will learn how to walk, do a pivot turn, and simple dismounts.

Thank you for supporting the Physical Education Programming each year!

I hope everyone has a wonderful summer!

From the Music Room for June:

Mrs. Koch

In May our Grade Three and Four students performed “When I Grow Up” for the school and their families. I’m so proud of how hard our students worked on their songs and lines to make their performance a rousing success. The audiences were super enthusiastic and I want to thank each of you who came out to support our students and their hard work.

During the month of June we will have a lot of fun getting to play new songs and instruments. I’m also looking forward to taking the kids outside to play some of their favorite songs and games in the sunshine.

Thank you for all your continued support for our music program. Music really is magic and I have loved watching the students grow in confidence and skill. Teaching music this year has been an absolute dream come true.

Wishing you all a fantastic summer,

Mrs. Koch
